

Christmas Origami Ornament

Supplies:

- Ultra Thin Glue Dots[®]
- Paper (the thinner the better)
- Paper cutter
- Bone folder

Instructions:

1. Cut all of your paper into squares.
2. Score your paper from corner A to corner B and fold.
3. Now fold in corners B and C so that they meet at corner A.
4. Fold in the inner corners out so that they create wings.
5. Unfold the both sides and flatten them.
6. Fold down the points along the dotted lines and fold in the sides so that you have a square once again.
7. Apply Craft Glue Dots to one of the side flaps and press both of them together.
8. Repeat these steps until you have 5 petals.
9. Use Ultra Thin Glue Dots to adhere them all together to create a flower.
