

## Sandscape Candle Vase

By Marie Vetrano

### Supplies:

RG 604 - Glass vase

SNCOL2LBWTE - 2-lb. bag of natural sand (or your choice)

2503-52 - Shells (or your choice)

Ribbon of choice

Thin dowel rod, scissors, glass cleaner, cloth or paper towel

### Directions:

1. Clean vase inside and out with glass cleaner.
2. Pour sand into vase about 1/4th of the way up.
3. Arrange sea shells along the inside of the vase.
4. Remove plastic wrapping from candle and place into the center of the vase.
5. Add more sand and shells if needed.  
Use thin dowel rod to help arrange the shells inside the vase.
6. Place a ribbon around the base and tie into a bow.

### Tip #1

Extra sparkle

For extra sparkle, add 1-part diamond dust glitter to 2-parts sand.

### Tip #2

create interest

Create extra interest by alternating layers of natural sand and colored sand in the bottom of the vase.

### Tip #3

coordinate

Use colored sand with a coordinating candle and ribbon to match your theme or décor.
